

Since 1981, Edmonton's Food Bank has struggled to provide food, free of charge, to hungry people in our city.

Now, 28 years later, we are still struggling. Every month, more than 11,000 people rely on our hamper services, and the hunger trend does not show any signs of slowing down.

It is clear to us now that there is only one option:

We're going golfing.

Brothers and sisters, gather up your irons and woods and join us at JR Golf Course in St Albert on July 11 for the annual

Mike (Bencz) Sr. Memorial Golf Tournament

\$70 gets you 18 holes and a steak dinner. Call 425.2133 and ask Ron or Tamisan for more information or an entry form.
